

Arrow Security & Training, LLC

Capabilities Brief

Arrow Security & Training LLC (AST) is a privately owned training and security consultation company established in the state of New Hampshire. AST is a **SBA Certified 8(a)** Veteran Owned Small Business (VOSB). AST provides tailored military training, training support and a host of security services to government and private sector clients, worldwide. The range and depth of our skill sets distinguishes us from most competitors: only fully-qualified and seasoned former U.S. Army Special Forces (Green Berets) experts plan, manage, and implement our contracts.

Core Competencies: AST offers a wide range of innovative educational services and support to our Military, Government, and Civilian clients. From curriculum and training development to instruction and practical exercise; AST instructors have worked around the globe achieving mission success in all of our training and educational contracts. AST has the reputation and proven ability to provide world class experts in the training of or performance of the following:

- Special Forces Training and Operations
- Military and Civilian Pre-deployment Training
- Training Support
- Soviet Weapons Training
 - **Licensed Firearms Manufacturer #6-02-011-07-9L-00816**
- Islam & Cultural Awareness Training
- Security Enhancement Projects / Evaluations
- Native Speaking Role Players
- Custom Training and Scenario Development
